

Our Histories Revealed

Africans in Hull & East Yorkshire

Study day for schools // 6 October 2017

The African Stories in Hull & East Yorkshire project is a fascinating discovery into the many people of African descent who've stayed, lived or visited this region over the last 250 years.

You're invited to join us on a study day with a talk at Hull College after which you can join us for a guided tour of the 'Our Histories Revealed' exhibition at Hull History Centre.

The day will provide an overview of the African Stories project, featuring insights into all aspects of everyday life from 1750 to 2007.

6 October 2017 //
9.30am – 11.30am
